

Rice Lake Weighing Systems is a family-owned, ISO 9001 certified corporation, and has been manufacturing and distributing weight-related products and supplies since 1946. Within the company, progressive new technologies merge with the wisdom of industry experience to create the future of weighing through cutting-edge research and design.

Rice Lake's roots are planted firmly in the principles of quality and customer service. For over 70 years, and through three generations of family ownership, these ideals remain unchanged.

We currently employ over 600 of the most skilled and dedicated individuals—and **we are growing exponentially, both locally and globally.**

Our headquarters is located in scenic Rice Lake, Wisconsin with facilities throughout the United States including:

- Jasper, Alabama
- Concord, California
- Newtown, Connecticut
- Fernley, Nevada
- Seattle, Washington
